

Overnight Oats

Serves: 2 | Prep: 5 min | Cook: 0 min (overnight)

INGREDIENTS

- 1 cup rolled oats (not quick oats)
- 1 cup milk (dairy or plant-based)
- 1/2 cup plain Greek yoghurt
- 2 tbsp chia seeds
- 1-2 tbsp maple syrup or honey
- 1 tsp vanilla extract
- Pinch of salt
- Toppings: fresh fruit, granola, nuts, nut butter

METHOD

Step 1

Add oats, chia seeds, vanilla extract and a pinch of salt to a jar or container with a lid.

Step 2

Pour in the milk, add the Greek yoghurt and sweetener. Stir everything thoroughly to combine.

Step 3

Seal the lid and refrigerate for at least 4 hours, ideally overnight (up to 5 days).

Step 4

When ready to eat, give it a stir. Add a splash more milk if you prefer a thinner consistency.

Step 5

Top with your favourite fruit, nuts or granola and enjoy cold straight from the fridge.

TIPS & NOTES

- ◆ *The 1:1 oats-to-milk ratio is the magic formula — scale up as needed for meal prep.*
- ◆ *Greek yoghurt adds protein and creaminess; skip it for a dairy-free version.*
- ◆ *Try flavour combos: banana + peanut butter, apple + cinnamon, or berries + granola.*
