

Avocado Toast

Serves: 1 | Prep: 5 min | Cook: 3 min

INGREDIENTS

- 1 slice thick sourdough or whole-grain bread
- 1/2 ripe avocado
- 1 tsp lemon or lime juice
- Flaky sea salt & black pepper
- Pinch of red pepper/chilli flakes
- Drizzle of extra-virgin olive oil
- Optional extras: poached or fried egg, everything bagel seasoning, parmesan, cherry tomatoes

METHOD

Step 1

Toast the bread until golden and firm — the crunchier the better as a base.

Step 2

Scoop avocado flesh into a small bowl. Add lemon juice and a pinch of salt, then mash with a fork to your preferred texture (chunky or smooth).

Step 3

Spread the mashed avocado generously over the hot toast.

Step 4

Finish with flaky sea salt, cracked black pepper, chilli flakes and a drizzle of olive oil.

Step 5

Add any optional toppings (egg, tomatoes, seasoning) and serve immediately.

TIPS & NOTES

- ◆ *Rub the hot toast with a halved garlic clove before adding avocado for extra depth.*
- ◆ *Avocado toast waits for no one — eat immediately before the toast softens.*
- ◆ *For extra protein, top with a poached egg or smoked salmon.*
