

Peanut Butter with Apple & Banana

Serves: 1 | Prep: 5 min | Cook: 0 min

INGREDIENTS

- 2 tbsp natural peanut butter (or almond/cashew butter)
- 1 medium apple, cored and sliced
- 1 banana, sliced
- 1 tsp honey or maple syrup (optional)
- Pinch of cinnamon
- Optional: granola, chia seeds, or dark chocolate chips for topping

METHOD

Step 1

Wash and core the apple, then slice into wedges or rounds. Slice the banana.

Step 2

Warm the peanut butter in the microwave for 15–20 seconds so it drizzles easily.

Step 3

Arrange apple and banana slices on a plate or in a bowl.

Step 4

Drizzle or dollop peanut butter generously over the fruit.

Step 5

Sprinkle with cinnamon and a drizzle of honey. Add optional toppings and serve.

TIPS & NOTES

- ◆ *Natural peanut butter (just peanuts and salt) has the best flavour and no added sugar.*
- ◆ *To stop banana browning, toss slices in a little lemon juice first.*
- ◆ *Great as a pre-workout snack — bananas provide quick energy, PB adds protein and healthy fats.*
