

Broccoli, Rice & Chicken Casserole

Serves: 6 | Prep: 15 min | Cook: 45 min

INGREDIENTS

- 600g chicken breast, cut into 1.5cm cubes
- 1 tsp garlic powder, 1 tsp paprika, salt & pepper
- 1 tbsp olive oil + 1 tbsp butter
- 1 onion, diced
- 3 garlic cloves, minced
- 1 cup long-grain white rice (uncooked)
- 2.5 cups chicken broth/stock
- 3 cups broccoli florets
- 1.5 cups shredded cheddar cheese, divided
- 1/2 cup sour cream or cream cheese
- Salt & pepper to taste

METHOD

Step 1

Heat olive oil in a large deep oven-safe skillet or casserole dish over medium-high. Season chicken with garlic powder, paprika, salt and pepper. Brown chicken 3–4 minutes (not fully cooked). Remove and set aside.

Step 2

In the same pan, melt butter and sauté onion for 3 minutes. Add garlic and cook 30 seconds.

Step 3

Add uncooked rice and stir to coat. Pour in chicken broth and bring to a boil. Add chicken back in, reduce heat to medium-low, cover and cook for 10 minutes.

Step 4

Add broccoli florets on top, cover and cook a further 8–10 minutes until rice is cooked and broccoli is tender.

Step 5

Stir in sour cream and 1 cup of cheddar. Top with remaining cheddar and cover for 2 minutes (or pop under the grill) until cheese is melted. Serve hot.

TIPS & NOTES

- ◆ Use long-grain white rice only — brown rice or instant rice require different liquid ratios.
- ◆ Rotisserie chicken works great here — just add it at step 4 since it's already cooked.
- ◆ This freezes beautifully. Store portions in airtight containers for up to 3 months.
