

Crispy Homemade Hash Browns

Serves: 4 | Prep: 10 min | Cook: 15 min

INGREDIENTS

- 3 large russet potatoes, peeled
- 1/4 tsp garlic powder
- 1/4 tsp onion powder
- Salt & black pepper to taste
- 4 tbsp canola or vegetable oil (divided)
- 1 tbsp butter

METHOD

Step 1

Grate potatoes on the coarse side of a box grater. Transfer to a clean tea towel and wring out as much moisture as you possibly can — this is the key to crispiness.

Step 2

Transfer dried potato to a bowl. Season with garlic powder, onion powder, salt and pepper. Toss to combine.

Step 3

Heat a large cast-iron or non-stick skillet over medium heat. Add 2 tbsp oil and the butter. Once hot, add potato mixture and spread into an even layer about 1cm thick.

Step 4

Cook undisturbed for 6–8 minutes until the bottom is deeply golden and crispy. Flip in sections and cook a further 5–7 minutes on the other side.

Step 5

Drain on paper towel, season with extra salt and serve hot with ketchup.

TIPS & NOTES

- ◆ *Wringing out the moisture is non-negotiable — wet potato = soggy hash browns.*
- ◆ *Don't touch them while they cook — patience is the secret to a proper crust.*
- ◆ *For an extra-crispy upgrade, add 1 tbsp cornstarch to the grated potato before cooking.*
