

Easy Homemade Beef Stew

4.98 from 568 votes

Made with tender meat chunks, carrots, and potatoes in a deliciously seasoned sauce on a stove top. Easy to make, comforting, and so delicious.

Ingredients

- 2 pounds Beef Chuck Roast cut into 2-inch chunks, excess fat removed
- 1 teaspoon Kosher Salt
- ½ teaspoon Coarsely Ground Black Pepper
- 2 tablespoons Gluten-free All-Purpose Flour or Whole Wheat for non-gluten
- 2 tablespoons Olive Oil or avocado oil
- ½ Yellow Onion Chopped Large
- 4 Garlic Cloves minced
- 1 Large Carrot or two small-medium, cut into 2-inch chunks
- 2 Yukon Gold Potatoes diced into 2-inch pieces
- 2 Cups Beef Broth see note
- ¼ Cup Tomato Paste
- 1 tablespoon Worcestershire Sauce
- 1 Bay Leaves
- 2 teaspoons Fresh Thyme Leaves to garnish

Instructions

1. Preheat oven to 325° F.
2. Season the **2 pounds Beef Chuck Roast** (cut into chunks) on all sides with **1 teaspoon Kosher Salt** and **½ teaspoon Coarsely Ground Black Pepper**. Sprinkle the **2 tablespoons Gluten-free All-Purpose Flour** over and toss the seasoned beef to coat it on all sides
3. Heat the **2 tablespoons Olive Oil** in a large Dutch oven over medium heat. Brown the beef in batches, on all sides, for 3-4 minutes per batch. Don't worry about cooking the beef all the way through at this stage. Transfer the browned beef to a plate and set aside.
4. Add the **½ Yellow Onion** (chopped), **4 Garlic Cloves** (minced), and **1 Large Carrot** (chopped) to the Dutch oven, and cook, stirring occasionally, for 2-3 minutes, or until lightly browned.
5. Add the **2 Yukon Gold Potatoes** (chopped), **2 Cups Beef Broth**, **¼ Cup Tomato Paste**, **1 Bay Leaves**, **2 teaspoons Fresh Thyme Leaves**, and **1 tablespoon Worcestershire Sauce**, and use a wooden spoon to scrape the browned bits from the bottom of the pot.
6. Bring the mixture to a simmer, stirring, and return the beef to the pot. Cover the Dutch oven, and transfer to the preheated oven
7. Cook the stew for 2-2.5 hours, or until the beef is very tender. Remove the bay leaf. Taste the stew and season with additional salt and pepper, if necessary. Serve warm.

Notes

- You may add 1-2 cups of water or more broth halfway through or 30 minutes before the dish is done if you want more broth on your stew.
- Types of meat you can use: Pre-Cut Stew Meat, bottom round or rump roast, Chuck Roast, or pot roast.
- You may add a bit of heat, like 1 teaspoon of cayenne pepper.
- Feel free to add some chopped celery.
