In this Slow-cooked Beef Stroganoff Pot Pies recipe, a glorious creamy beef and mushroom filling is baked in individual pie form, topped with sheets of buttery, golden puff pastry. Although the recipe takes a few hours, it's mostly hands-off and well worth the wait. The stroganoff filling can be made up to 3 days ahead and freezes for up to 3 months.

Prep Time	Cook Time	Total Time

Ingredients

- 1 kg chuck (braising/casserole) steak or gravy beef (boneless shin) or any beef suitable for slow-cooking, cut into bite-sized pieces
- 1 tsp sea salt flakes
- ½ tsp freshly cracked black pepper
- 2 tbsp olive oil
- 1 large onion, roughly diced
- 3 garlic cloves, roughly chopped
- 500 g mushrooms, sliced
- 2 tbsp flour
- 2 tbsp tomato paste (concentrated puree)
- 1 tbsp sweet paprika
- 1 tbsp Worcestershire sauce
- 500 ml beef stock
- 2 tbsp sour cream
- 1 sheet puff pastry, thawed
- 1 egg, lightly whisked, to brush the puff pastry
- salt and sesame seeds to sprinkle on the puff pastry (optional)
- 4 small ovenproof bowls or ramekins for assembling pies

Instructions

1. Sprinkle the beef with salt and pepper.
2. Using 1 tablespoon of the oil, brown the beef (in batches if needed) in a large frying pan over medium–high heat for 8–12 minutes. Set aside.
3. Using the remaining 1 tablespoon of oil, cook the onion and garlic in the same pan over medium heat until softened, 2–3 minutes.
4. Add the mushrooms and cook for 2–3 minutes until softened.
5. Add the flour and cook, stirring continuously, for 30 seconds (it will form a lumpy paste).
6. Follow either the slow-cooker or stovetop method below.

Slow-cooker method

1. Add the tomato paste, paprika, Worcestershire sauce and beef stock to the slow-cooker and stir to combine.
2. Add the cooked beef and mushroom mixture and stir gently to combine. The beef may not be completely submerged, which is fine; it will melt into the sauce as it cooks.
3. Cook on high for 4 hours or on low for 8 hours. Stir in the sour cream for the last 15 minutes of cooking time. The beef should come apart easily with a fork. If not, continue to

cook in 15-minute intervals until soft.

Stovetop method

1. Return the beef to the pan and add the tomato paste, paprika, Worcestershire sauce and beef stock.
2. Return to the boil, then simmer over the lowest heat for 1½ hours, covered. Stir occasionally. If the sauce is sticking to the base of the pan, add ½ cup (125 ml) of water.
3. Remove the lid and cook for an additional 1 hour to thicken.
4. The beef should come apart easily with a fork. If not, continue to cook in 15-minute intervals until soft.
5. Once the beef is soft and melting, stir through the sour cream to create a thick, creamy sauce.

Assemble pies

1. Preheat oven to 220°C (425°F) (200°C/400°F fan-forced).
2. Fill your bowls/ramekins with the stroganoff.
3. Cut the sheet of puff pastry into four even squares.
4. Lay the puff pastry straight on top of the bowls/ramekins, and using your fingers, crimp the pastry around the outside of the bowl.
5. Using a pastry brush, brush the tops of the pies with egg and sprinkle with sesame seeds and salt (optional).
6. Bake for 20 minutes or until pastry is golden and flaky.
7. Use oven mitts to remove the pies from the oven. Allow them to stand for 10 minutes before serving.

Notes

MAKE AHEAD

Refrigerate the stroganoff pie filling for up to 3 days in an airtight container or freeze for up to 3 months. Thaw completely in the fridge overnight before use.

LEFTOVERS

If made fresh, store leftovers in the fridge in an airtight container for up to 3 days. Reheat in the microwave (the puff pastry will soften). Not suitable to freeze.
