Ingredients

- 2 small sweet potatoes (about 8 oz. each)
- 1 tablespoon neutral oil, such as canola *or* avocado
- 8 ounces 95%-lean ground beef
- 2 scallions, sliced, green and white parts separated
- 2 tablespoons tomato paste
- 1-2 canned chipotle peppers in adobo, chopped
- 1 tablespoon paprika
- ¼ teaspoon salt
- 1 cup canned low-sodium kidney beans, rinsed
- ½ cup water
- ¼ cup shredded Mexican-blend cheese
- 4 teaspoons reduced-fat sour cream for garnish

Directions

Step 1

Preheat oven to 425 degrees F. Line a baking sheet with foil.

Step 2

Prick sweet potatoes in several places with a fork and place on the prepared pan. Bake until tender when pierced with a knife, 40 to 45 minutes. Let cool slightly.

Step 3

Meanwhile, heat oil in a large skillet over medium-high heat. Add ground beef and scallion whites. Cook, stirring and breaking up the beef with a wooden spoon, until it is no longer pink, about 4 minutes. Add tomato paste, chipotles to taste, paprika, and salt. Cook, stirring, until the tomato paste begins to brown, about 1 minute. Add beans and water; cook, stirring, until most of the liquid has evaporated, about 1 minute more. Cover and keep warm.

Step 4

Slice the sweet potatoes in half lengthwise. Leaving the skins intact, carefully scoop the flesh into a medium bowl. Add 1 cup of the chili mixture and stir to combine. Fill each potato skin with the sweet potato-chili mixture (the skins will be full). Return to the baking sheet and top with remaining chili mixture and cheese.

Step 5

Bake until the cheese is melted and the potatoes are heated through, 3 to 5 minutes. Top with scallion greens and garnish with sour cream, if desired.
