PRODUCTION NOTES	
Rehearsals will take place at Kye's house in the morning so that we are fully prepared for the pharmacy shoot. We want to streamline this process as much as possible so we can be as efficient as possible in the pharmacy.	We will only have 2 hours at the pharmacy so we will need to be quick, professional and strict with our time. We will have about half an hour for each scene, with a 15 minute buffer if we stay on track.
